Budget Office Use of Position Change Form (PCF)

Functional Area: Position Management Module: HR

The Budget Office(s) have the FINAL authority over the Position Change Form (PCF). Without a Budget Office approval the changes on a PCF will not get uploaded to Banner INB.

Listed are the Budget Offices:

- Foundation (includes Medical Foundation)
- Grants and Contracts
- HS Admin & Fin
- Special Funds
- University Budget Office

Budget Office Approvers will be able to:

- ◆ Originate – create a PCF action
- ◆ Request Approval – request approval of College, Division, and/or another Budget Office
- ◆ Cancel – to exit out of the PCF leaving the action pending
- ◆ Deny – denies the PCF request
- ◆ Approve – approves the PCF request

Note: Budget Office CANNOT update a PCF which was originated at the College or Division level.

If the Budget Office:

- ✓ Denies the request - the originator will receive an email stating that the request has been denied.
- ✓ Approves the request - the originator will receive an email stating that the request has been approved.

Once the Budget Office approves the PCF the action is submitted overnight as follows:

- ❖ Temporary Actions – to EPOST
- ❖ Permanent Actions – to INB Banner

Note: Once the changes are uploaded into INB Banner they are reflected on NBAPOSN and NBAPBUD.

To Originate a Position Change Form (PCF):

Open the Position Change Form (PCF)

See “How to Access the Position Change Form (PCF)” – page 2.

To Create a Position Change Form (PCF)

See “How to Initiate Changes to One or More Positions” – page 9.

Note: There are a few changes to the original instructions that apply **ONLY** to the Budget Offices.

The position screen for a Budget Approval person displays a check box for “**APPROVAL REQUIRED**”. Check this box **ONLY** if you want the PCF to be approved by another area. When checked, another APPROVER must be selected in the APPROVAL section. Notice the Budget Approver can select ANY type of other APPROVER.

If “APPROVAL REQUIRED” is checked this means when the Budget Approver finishes this action an email will be sent to the selected additional approver. The PCF will not be “APPROVED” until the selected approver approves the action.

Position Change Form (PCF) Helpful Tips

Functional Area: Position Management Module: HR

1. The position number or a reference number is required to access the position change form. To locate a position number, go to POSMAN, INB, or departmental personnel records.
2. Clicking on the  displays the allowable entries for that field. At this time typing is allowed only in the FOAP and Project (FTE) fields. For all other fields, entry of the criteria is performed by clicking  and selecting the appropriate value to populate the field. In the future this may change.
3. Approval Selection is grouped by funding areas. Click the  for a list of the approvers.
4. Fund Code, Organization Code, Account Code, Program Code and Project Code (FTE) are listed within the  by the number. At this time there is no other sort option.
5. Do NOT use commas or dollar symbols when entering amounts. Budget dollars MUST be entered as a whole number.
6. “Total FTE” and “Total Budget” values must equal the sum of all funding source “Project Code (FTE)” and “Budget” values. For example, the summary budget must equal the total of the individual budgets.
7. “Change Reference” box lists all permanent actions until the actions are approved and applied. Once applied the actions become part of INB Banner and are reflected in the position’s current value.
8. “Change Reference” box lists all temporary and denied actions for the fiscal year.
9. After a PCF has been approved but before it is uploaded to Banner it must pass through an automatic validation. If there is a problem, the PCF status will change from approved to a HOLD Status. At this point an email will be sent to the originator indicating the fields that need to be corrected.
10. For questions after class please email BANNERQUESTIONS@ecu.edu.
11. Documentation is posted on the web at the following link:
